

Fidel to Ahmadinejad: 'Stop Slandering the Jews'

"I don't think anyone has been slandered more than the Jews. I would say much more than the Muslims."

"Over 2,000 years they were subjected to terrible persecution and then to the pogroms.

One might have assumed that they would have disappeared; I think their culture and religion kept them together as a nation....

The Jews have lived an existence that is much harder than ours. There is nothing that compares to the Holocaust."
